To His Excellency, Jos. M. Dixon,  
Governor of Montana.

Sir:

I have the honor to submit herewith the following report exhibiting the transactions of this department for the biennial period beginning July 1, 1922, and ending June 30, 1924.

I wish to call your attention to the condition of the war defense loans which were made by the Montana Council of Defense during the year 1918 under provision of Chapter 21, Laws of the Extraordinary Session of the Fifteenth Legislative Assembly. The State Board of Examiners were authorized to borrow any sum not exceeding Five Hundred Thousand Dollars (\$500,000.00) for the purpose of aiding and assisting the United States in carrying on and prosecuting the war and for repelling invasion and suppressing insurrection. The act further provided that the Montana Council of Defense might loan this money for the purpose of assisting agricultural industries of the State.

Bonds in the amount of Five Hundred Thousand Dollars (\$500,000.00) bearing interest at the rate of six per cent and maturing in Five (5) years were sold.

Out of the proceeds of the sale of the bonds, the Montana Council of Defense loaned to farmers of the State \$311,210.47 for the purpose indicated.

When I became State Treasurer on February 3rd, 1923, I found unpaid loans, which had been made by the Montana Council of Defense, amounting to \$197,649.20 on which interest had been accumulating in most cases from the time the loan was made. I have endeavored to locate the borrowers, many of whom have left the State, and collect the obligation.

To date we have been able to collect only \$681.12 of which \$575.30 represents the principal and \$105.82 interest.

The bonds were all redeemed on March 20, 1923.

Very respectfully,

O. H. JUNOD,  
State Treasurer.
